SUMMARY

Results-driven sales professional with more than five years of experience in business development, lead generation, and team leadership. I have built strong client relationships and delivered consistent results across fintech and B2B environments, including roles at Revolut and PayPal. Known for the ability to drive new business opportunities, manage remote teams effectively, and adapt quickly in fast-paced settings. I am now looking to bring my sales expertise and proven track record to a new opportunity in account management or business development.

SKILLS

- Data analysis
- Client management
- Market research
- Project management
- Technical writing
- Relationship building
- Web development
- Problem solving
- Responsive design
